

Rules for visit us

Body temperature will be measured at the entrance to the exhibition. Access will not be allowed in case of temperatures above 37.5 ° C.

Visitors must wear the mask (surgical or FFP2) for the entire time of their stay inside Scuderie del Quirinale.

The interpersonal distance of two meters must always be maintained. The hall staff may ask visitors to slow down or speed up their visit in the event of an excessive number of visitors inside one or more exhibition rooms.

All the staff of the Scuderie del Quirinale will welcome and follow visitors wearing a mask and maintaining an interpersonal distance of two meters; in the fixed positions, the staff will welcome visitors behind barriers of physical distancing.

Numerous distribution points for hydro-alcoholic solutions for hand hygiene are available to all visitors; it is recommended to use them often.

Scuderie del Quirinale ensure adequate cleaning of environments and surfaces with detergent and disinfectant products and suitable procedures, with particular attention to toilets and objects that are frequently touched by visitors along the tour.

The air conditioning system of Scuderie del Quirinale ensures filtering and continuous and regular air exchange in all environments.

To ensure compliance with all hygiene precautions, the cloakroom service is not active. All visitors are advised not to bring helmets, travel bags or larger bags and bulky or potentially dangerous objects inside Scuderie del Quirinale.

Cafeteria is closed

The use of the lift is reserved, for safety and courtesy, for people with disabilities and their accompanying persons.

The audio guide service is active exclusively by our free App to be downloaded to your device and can only be used in the exhibition with the aid of your own earphones.

The bookshop service is active.

All educational services, for children and adults, are temporarily suspended.

The rules are valid for all visitors, individuals and groups.
