

Regulation Società dei Concerti Trieste for the Covid-19 emergency Updated on the 15th of July 2020

By purchasing and/or using the tickets for the events organized by the Società dei Concerti, I declare to have read and accept the following Regulation of the Organization:

1. Access to the location of the concert is only allowed to people wearing a mask in good condition. The spectators have to wear a mask from the moment they arrive at the location until they reach their seating position, and anytime they move away from it, including the moment of their exit or any time they use the sanitary facilities. General rules are applied to children;
2. It is recommended to arrive reasonably early in order to carry out all security procedures set out by the Organization for your safety, as well as ours;
3. Temperature measuring by thermoscanner is mandatory for all spectators at the entrance of the location, under penalty of not entering. For this purpose, people with body temperature over 37.5 will not be allowed to enter the location and will be asked to leave;
4. The staff will constantly monitor and control that safety conditions are respected inside the location, during the whole entrance procedure and until the beginning of the concert. Staff personnel is allowed to intervene in case of disrespect of social distancing, inappropriate use of the mask, spectators moving from their assigned seats, in case of gatherings;
5. All spectators must attend the concert seated, for safety reasons it is not allowed to change seats or occupy different seats even if these are free. Seats have been arranged following the current legislation in order to respect social distancing. At the entrance of the location, spectators may be asked to show your identity card to verify that the identity of the spectator and the information written in the self-declaration match. Personal information (name, surname, address) of all spectators will be kept for 14 days from the date of the concert;
6. At the end of the concert, spectators must comply with the directions of the staff personnel in order to respect the outflow procedures;
7. Failure to respect any of the points of this Regulation, and particularly any action which results in the impossibility to respect social distancing and the legislation for the safeguard of individual and public health, will lead to the impossibility to attend the concert or to the request to leave the location;
8. If a concert gets cancelled because of a decision by the competent authorities in relation with the Covid-19 emergency, it will be possible to be refunded, upon request to the Secretariat of the Società dei Concerti Trieste by phone call at the number 040 362408 or by email to amministrazione@societadeiconcerti.net , within 15 days as from the date of the concert.
