3 - PROCESSING METHODS

Your data will be mainly processed by electronic means, in the manner and to the extent necessary to pursue the above purposes, in accordance with the principles set out in Article 5 of EU Regulation 2016/679. The data are stored in electronic archives with full assurance of the adequate security measures required by the New European Regulation 2016/679.

4 - DATA STORAGE

The data collected for marketing and promotional purposes will be stored in the databases of the Autonomous Data Controller and vivaticket.it until the data subject exercises their right to object or cancel through the methods made available for this purpose and indicated on the vivaticket.it website and in this document.

The Autonomous Data Controller, if Organizer of the events for which access tickets are purchased, will retain your data for the time necessary to carry out the administrative, accounting and tax purposes related to the relationship established and also arising from the obligations under the law, however, within the prescriptive terms set for the rights and obligations underlying the data processing plan.

5 - DATA COMMUNICATION

Personal data may be processed by data processors connected to the Autonomous Data Controller, that is, by professionals and personnel who for organizational and functional needs necessitate to process them, as well as by any third parties involved, therefore appointed as External Data Processors, as they are dutifully involved in the performance of the due activities. The processing will be limited to the sole purposes related to the provision of the services offered. The updated list of external Data Processors will be available from the Autonomous Data Controller. The Data Processors have been instructed in security and protection of personal data, with the prohibition, in particular, to disseminate or communicate personal data to further third parties,

except within the limits of the performance of services. The data may be disclosed to the Judicial Authority where necessary, including for organizational and security purposes related to the event.

The data will not be disseminated.

6 - DATA TRANSFER TO A THIRD COUNTRY

Personal data collected through the vivaticket.it website will not be transferred outside the European Union.

7 - RIGHTS OF DATA SUBJECTS

You, as "Data Subject", enjoy specific rights (art. 12 et seq. EU Regulation 2016/679) as set out below:

- to obtain confirmation of the existence or non-existence of personal data concerning you;
- to know the content and origin of the data, the purposes, and methods of processing;
- to verify the accuracy, ask for the updating and rectification of your data;
- that is, when interested, to request the integration, cancellation and transformation into anonymous form or the blocking of data processed in violation of the law, including those that do not need to be kept in relation to the purposes for which the data were collected or subsequently processed.

In particular you have the right to:

- to object at any time, for legitimate reasons, to the processing of personal data concerning you, even if pertinent to the purpose of collection, as well as to the processing of personal data for the purpose of sending advertising material;
- to request data portability;
- to revoke at any time the consent given, without affecting the lawfulness of the data processing carried out by the Data Controller on the basis of the consents given prior to revocation.

Finally, you have the right to lodge a complaint with a Supervisory Authority (for Italy, the *Garante Privacy*).

To exercise the above rights, you must address a written request to:
